

# GARAGE SALE

The newly formed Delia Community PRIDE took as one of its first projects the promoting, advertising and organizing of Delia's first City Wide Garage Sale. Their goal was to encourage citizens to work together to create a successful and profitable event. The initial goal of hosting at least 8 sales grew to a final number of 15 sales representing 19 families. The event brought first time visitors to Delia, allowed residents to ban together for a common cause while earning some extra money and encouraged citizens to meet and visit with their neighbors as they visited each other's sales.
