

IOLA NATURAL AWARD

Iola PRIDE's vision statement is "Iola will be a healthy, thriving community." The idea for a disc golf course came about in the spring of 2014 after several of our members saw the need for college students and families of all ages to have low cost, healthy activities. Iola's brand new 9-hole disc golf course has provided free, healthy recreation activities for all backgrounds and ages in Iola, Allen County, and the surrounding area. Additionally, Elm Creek Disc Golf Course has turned old abandoned flood green space into a beautiful public park for all to enjoy.
