REPORTING FOR 2018

We'll soon start compiling the numbers for the 2018-2019 Kansas PRIDE Program annual impact report, but we know some communities weren't able to get their Q4 reports in by the deadline due to technical difficulties. If you were not able to get your Q4 reports (or any other quarter in 2018) entered into the database, please email us and we'll send you a report form you can fill out and send back to us. We

can eventually get those entered into the database from our end. Remember: reporting keeps you eligible for grants and awards, it's a record keeping tool for you, a networking tool between your community and others, a way for K-State Research and Extension, the Kansas Department of Commerce and other entities to know what you're up to in case we have resources available to assist, and it's good information for program sponsors and potential sponsors to know about. - *Jan Steen, Kansas PRIDE Co-Coordinator, K-State Research and Extension* jmsteen@ksu.edu

ENROLL FOR 2019

Each year communities that wish to be a part of the Kansas PRIDE Program are required to enroll. If you're a returning community this lets us know that you're still active and we get your newest meeting and contact information. If you're a new community, it gives us a chance to welcome you and go over some of the program details to help you get started. The database is open and ready for you to enroll. Not sure what level your community should enroll as? Our "Enrollment and Reporting" page has information on different enrollment options as well as links to our Education page, a government resolution (which is also required each year), and of course the "Enroll" link which takes you directly

HOLIDAY CLOSURE

K-State Research and Extension, including the Kansas PRIDE office, will be closed Monday, January 21, in honor of Martin Luther King, Jr. Day. We will be back on Tuesday, January 22.

ANNUAL REPORT PHOTO CONTEST

It's that time again - time to create our Kansas PRIDE annual report. In the report we highlight the work you do in your communities across the state. One of the hardest tasks is choosing the cover photo, and the photos that appear throughout the report. We're holding our photo contest again this year so we can highlight your communities in the report, and online. The public will get to vote and the photo with the most votes will be the cover photo with others possibly appearing elsewhere.

The Rules:

1. Photos must be high quality. This means that when you send them you must send them to us in their original size, not compressed. If you send them from your phone, please note that you should use a wi-fi connection to avoid potential data charges.
2. Only one photo per community, please.
3. A sentence or paragraph about your photo is required so that we can highlight your work! Also include your name and community name.
4. Have fun!

Send your photo to PRIDE@ksu.edu by **March 15**. We will post them to Facebook with instructions on voting after that date.

Don't forget to use a photo release form if any people are in your photos. You can find a copy online, just use the button below. - *Jan Steen, Kansas PRIDE Co-Coordinator, K-State Research and Extension jmsteen@ksu.edu*

NEWSLETTER IN PDF FORMAT

Where'd the PDF format version of the

newsletter go? We found that building the newsletter this way makes it easier to read on different mobile devices, but we still have it available in PDF format. You can find this edition, and previous editions of the newsletter on our website's Newsletter page. - *Jan Steen, Kansas PRIDE Co-Coordinator, K-State Research and Extension jmsteen@ksu.edu*
