AREA PRIDE WORKSHOPS
There is a lot of interest in the state for community improvement and community involvement. In 1986, 105 Kansas communities completed 1,900 community projects. Citizens of these communities donated 339,522 hours of volunteer time. If your community is not involved in this action program, plan to bring a carb of leaders to the area workshop convenient for you. PRIDE can make a difference in your community.

Topics for Workshops
Revelization of Communities with PRIDE
-Revitalize through letters, public speaking, and advertising

PRIDE DAY WORKSHOP: MOTIVATING OTHERS
PRIDE DAY WORKSHOP: COMMENTS ON "HOW TO" FROM PARTICIPANTS

Ways to Get Volunteer Leaders
-Present leaders must be enthusiastic
-Make individuals feel important
-Match up people's interest and talent with project
-Ask in person, use two people to make the contact
-Explain to individual why you need them
-Communicate through letters, public speaking, and advertising
-State the time frame for the job to be accomplished
-Encourage contacts to in turn ask their friends and bring a guest

A WORD FROM THE JUDGES
Each year a team of judges visit each community that submits a book for judging. A few comments from this year's judges:
1. Steering committee needs to designate goals at the beginning of the year.
2. It is difficult to show enthusiasm for the continuing projects. Could another group take these on and PRIDE work at starting new projects?
3. It was a real joy to visit these communities that are working instead of complaining about their situation.
4. Printed agenda and project was a good idea and helpful to the judges.
