Day of PRIDE 2014—FUNdraising!

As a part of the Day of PRIDE 2014 theme of “Dollars for Dreams”, each site (Humboldt, Larned and Rossville) will be hosting a fundraiser to illustrate innovative ways to raise funds for your community projects, in a fun, simple way! If your community will be attending Day of PRIDE we encourage your community to bring an item (of a value of \$20 or less) to auction off during the fundraising portion of the day! Even if you are unable to attend, you can still donate items! All proceeds go to benefit the Kansas PRIDE, Inc. Partners in PRIDE Grant Funds! Your dollars can help contribute to the dream of a fellow community!

If your community would like to donate, please contact us at PRIDE@ksu.edu or at 785.532.5840 to coordinate pick up or drop off of items. And speaking of Day of PRIDE...

Day of PRIDE 2014 Online Registration Now Open!

Online registration for Day of PRIDE 2014 is now open! Thank you to the Kansas Department of Commerce for facilitating this option! Be on the lookout in your email for paper registrations (to save postage we are transmitting them via email so that many can be printed off and distributed)!

Community Service Program - The Kansas Department of Commerce

Each year since 1994, the Kansas Community Service Program (CSP) has given nonprofit organizations a way to improve their ability to undertake major capital fund-raising drives for various projects. This year, \$4.1 million of tax credit has been allocated and will be awarded to selected nonprofit organizations to offer Kansas tax credits for contributions made to approved projects.

Projects eligible for tax credit awards include community service, crime prevention and health care. Tax credit awards are distributive through a competitive application process. Based on the scope and cost of the proposed project, applicants may request up to \$250,000 in tax credits. Applicant organizations in rural areas (less than 15,000 population) are eligible for a 70 percent credit. Applicant organizations in non-rural areas are eligible for a 50 percent credit.
